INTRODUCTION

The Student Handbook highlights the services, support programs, and policies designed to assist you in getting the most from your college experience. The Office of Student Services is staffed by student development professionals who are committed to student growth - physically, emotionally, socially, intellectually and spiritually.

As an educational community seeking to be Christ-centered, policies are designed to create an environment of love and concern for others. Rules are established to foster an atmosphere of other-centeredness conducive to study and academic achievement. The Office of Student Services and the Student Judiciary seek to enforce college policies with patience and firmness directed toward redemption and restoration. Student members of the Judicial Branch are considered officers of the college while serving in this capacity.

Students fully participate in institutional decision-making and policy development through membership on faculty and Board of Trustees committees and direct access to the President's Cabinet by the Student Government Association. The Student Government Association President introduces a section which contains the SGA Constitution. You are strongly encouraged to consider how you can be part of this effective organization. Your contribution is needed and the lessons learned from involvement in student government are invaluable.

STUDENT SERVICES

The Belk Campus Center

The Belk Campus Center is oriented to students' needs - social, academic, and spiritual. Major components of the building which are directly related to extracurricular activities include the lower lobby, lounge areas, the game room, the Cavalier Cafe, and the campus store. The Belk Campus Center also contains an art studio, classrooms, and faculty offices.

The Montreat Campus Store

The campus store is located on the first floor of the Belk Campus Center. Textbooks, supplies, insignia and personal items are available for purchase at reasonable prices. Other auxiliary services are readily available through the store. Hours are posted.

Student Mailboxes/Document Center

Student mailboxes are located in the lower lobby area of the Belk Campus Center. Packages and registered mail will be handled in the Document Center on the first floor.

Bulletin Boards

Students are encouraged to notice announcements on the bulletin boards in Howerton Dining Hall, Belk Campus Center, and the residence halls. Approval to display notices in the Belk Campus Center and Gaither Hall must be obtained from Student Services. Permission to post notices on the bulletin boards in the residence halls must be approved by the residence director.

Check Cashing Service

Check cashing privileges are available to Montreat students in the business office Monday through Friday. The maximum amount permitted for a personal check is \$25. Checks for a higher amount may be accepted for merchandise in the campus store. The student's address, box number and telephone number must appear on all checks.

Students will receive a \$20 penalty and a letter requesting settlement within three business days for checks returned due to insufficient funds. If the account is not settled within three business days, a hold will be placed on the student's records until both the check and the penalty have been paid. Students who have two or more returned checks will be restricted from cashing checks on campus without specific permission from the Vice President for Business.

The College Chaplain

The College Chaplain has the meaningful challenge of involving students in the spiritual life of the campus. The Chaplain advises the Student Christian Association, coordinates the weekly chapel program and is also available for individual time with students. The Chaplain's office is located on the second floor of Gaither Hall.

The Health Center

The Health Center is located on the first floor of McGregor Hall. The Health Center is open Monday through Friday 8:30 a.m. - 1:30 p.m. for walk-ins and 1:30 p.m. - 3:00 p.m. for appointments. Students should come to the Health Center when ill or injured. Emergency medical service is available in the evenings through the residence life staff.

The Health Center encourages and educates students to practice good health habits and adopt positive lifestyles which will help increase good health. Students are encouraged to be actively involved in making positive health choices.

The Health Center will not issue written excuses for classes missed due to illness or injury. Students should understand the absence policies set by their professors and are responsible to their professors for missed classes. The Health Center will notify the Office of Student Services of students who have prolonged illnesses or require hospitalization.

All doctor appointments should be made through the Health Center. The Health Center will refer students to specialists off campus and will assist students in making transportation arrangements. There are charges for off-campus office visits and prescription medications.

The Counseling Center

The Counseling Center is located on the first floor of McGregor Hall and is open Monday through Friday. Individual and group counseling is available for persons who are having difficulty with college adjustment, interpersonal relationships, and/or for those who have needs of a therapeutic nature. Group therapy is offered, as needed, for a variety of situations. Students are given the opportunity to participate in personal growth groups. Support groups for off campus and older students are also available.

Drug and Alcohol Abuse Prevention Program

Montreat College encourages any student with a substance abuse and/or dependency problem to contact the college nurse and/or the college counselor. The college provides education and prevention programs concerning the use and abuse of drugs and alcohol. Confidentiality will be maintained. Support groups are available both on and off campus.

The Career Development Office

The Career Development Office and Career Library are located on the second floor of the Belk Campus Center and offer career guidance through testing, individual counseling, reference/resource materials and special seminars on resumes, job interviews, networking and internet job searching. Resources include a local job network board, summer job listings and guides to professional career opportunities. The career library holds current information on graduate schools, professional opportunities, career choices in specific majors, and other relevant career information.

In addition to these services, the Career Development Office hosts an *Opportunities Dinner* in the fall and a *Job Fair* in the spring. These special events encourage students to begin the networking process by making contacts, following up on leads and interacting with successful professionals in their fields of study and/or interest.

The Library

The L. Nelson Bell Library provides students with more than half a million volumes locally and through the Mountain College Library Network's online catalog. The library's collection offers access to information in all formats. Resources include books, periodicals (print and electronic), CD-ROM and online databases, microforms and audiovisuals. Available within the facility are computers with Internet connectivity and ample study and research areas for individual and group work. Library open hours are posted. The Hamilton Gallery is located in the library and provides spaces for traveling and local exhibitions and student art shows.

The Writing Center

The mission of the Writing Center is to serve the Montreat College community by assisting students to become better writers, critical thinkers, and communicators by providing face-to-face, telephone, and electronic consultation, tutorials, reference materials, and links to Web writing resources (see www.montreat.edu/writing). The Writing Center is located on the second floor of the L. Nelson Bell Library inside the computer lab. Reference materials (handbooks, style manuals, dictionaries, etc.) are available for use within the computer lab area during regular library hours. Writing consultants are available at specified hours during the academic year (Hours are posted each semester).

Campus Police and Safety Department

The college's Director of Campus Police and Safety oversees officers who patrol the campus from 8:00 p.m. to 6:00 a.m. The Campus Police and Safety Department is responsible for the security of college facilities and safety of the students and staff, as well as helping to maintain a community of faith and Christian support. Montreat College Campus Police Officers are commissioned under North Carolina General Statute and have full range of police authorities granted any municipal law enforcement officer on property owned by and/or under the control of Montreat College, including adjacent streets and roadways.

All college buildings and residence halls are checked continually by the campus police to insure security and to see that they are locked each evening. The residence hall lobbies, however, are kept open 24 hours and are constantly checked on by the campus police and residence hall staff. The lower lobby of the Belk Campus Center is open 24 hours to provide an easily accessible emergency phone at any time. The campus police check this area regularly throughout the night.

The Office of Student Services provides educational programs and materials that encourage students to be responsible for their own security and the security of others. Information is provided to students through the Student Handbook, written materials and small group workshops related to the following: crime prevention, self defense, sex offense awareness, and sex offense sanctions.

In conjunction with the Montreat College Campus Police, the Town of Montreat and the Buncombe County Sheriff's Department provide police protection for the community. Through the 911 emergency phone number and 669-8072, fire, rescue, and other local police agency assistance is available in minutes.

COMMUNITY STANDARDS

Standards of Conduct

The trustees, administration, staff, faculty and students seek to be motivated by Christ's love and desire to reflect that love for each other; therefore, we are called upon to practice consideration, fair play and concern in our daily interaction with each other as an expression of our commitment to be a community under the Lordship of Jesus Christ. Love and consideration demand the deliberate consciousness of other people's feelings and an effort to neither hurt nor offend others.

1 Peter 3:8-10

Finally, all of you, live in harmony with one another; be sympathetic, love as brothers, be compassionate and humble. Do not repay evil with evil or insult with insult, but with blessing, because to this you were called so that you may inherit a blessing.

Such high aspirations require frequent reviews of what Christian standards are in social as well as academic areas. They can be reached only when each person in the Montreat College community makes an honest effort to incorporate them into the pattern of daily living.

Psalms 133:1

Behold, how good and how pleasant it is for brethren to dwell together in unity!

An obligation to patience and the effort toward redemption is inherent in a Christian community. At the same time, the college reserves the authority to ask those members to withdraw who do not accept the delineation of Christian standards and who are unable to learn to live happily within the framework of its ideals. The college also reserves the right to provide information to dependent students' parents or guardians. This information will be limited to issues related to student health, safety and disciplinary or academic decisions that would jeopardize the student's ability to remain enrolled. The college reserves the right to enact an interim suspension prior to any disciplinary action when a potential threat to an individual or the community has been determined. The Dean of Students will determine the specifics of an interim suspension and will ensure that the due process procedures continue as described in the Student Handbook in a timely fashion.

Honor System

Life at Montreat College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Ephesians 4:1-3

I, therefore, the prisoner of the Lord, beseech you to walk worthy of the calling with which you were called, with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace.

Each student and faculty member has a responsibility for him/herself and for every other member of the college community. The failure of one person to live honorably is, in part, the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college community.

2 Corinthians 13:7

Now I pray to God that you do no evil, not that we should appear approved, but that you should do what is honorable.

Honor Code

Under the honor code you, the student, are on your honor not to lie, cheat, steal, or plagiarize. If you do, you are on your honor to report yourself within twenty-four hours to an employee of the college. If you see another student lying, cheating, stealing, or plagiarizing, you are on your honor to ask him/her to report him/herself to an employee of the college.

The honor code places upon you a dual responsibility. First, you are responsible to see that you conduct yourself in accordance with the honor code. Second, you are also responsible as far as is possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

General Behavior

At Montreat College, the individual is given as much freedom in the exercise of his/her rights and responsibilities as is consistent with the well-being of the entire college community. However, the college reserves the right to discipline any student who refuses to comply with reasonable requests by staff and faculty, who violates college regulations, or who violates state or federal laws or local ordinances, whether on or off campus. The Student Government Association is authorized by the college to handle disciplinary action through its judicial branch. The Dean of Students is responsible for administrative disciplinary action in cases where the student court refers a case, the accused student requests administrative action, when the student court is not functioning, or when the victim of a sex offense case requests administrative action. Student members of the Student Government Association judicial courts are designated college officials when serving in that capacity.

A record shall be kept of all administrative and student judicial hearings. At the option of the accused or the judicial body, an audio tape recording of the proceedings may be made. Any record of student disciplinary proceedings will be made available to the accused. The results of a disciplinary action will be made available to the plaintiff only in cases of a crime of violence or sex offense. In compliance with the Family Educational Rights and Privacy Act, these are protected educational records and may not be disclosed without a court order or the consent of the students involved.

When considering a specific disciplinary action within the range of options, judicial groups are urged to consider the following:

1. Seriousness of the offense
 - Is it a violation of the law?
 - Is it an offense directed toward others?
 - How does it compare to other offenses considered serious?
2. Frequency. Has this offense occurred in the past? How often?
3. Can willful intent be determined? Is there evidence of an unintentional action?
4. Context. What are all the factors and issues surrounding the incident?

In light of the preceding guidelines, administrative and student judicial groups may substitute fines for community service or community service for fines.

Policy for Handling Disruptive Behavior in the Library

In support of the institutional purpose and educational programs of Montreat College, the L. Nelson Bell Library will maintain an atmosphere conducive to study, research, and instruction. To ensure that such an atmosphere is maintained, the library staff will enforce this policy for handling disruptive behavior.

Jurisdiction-Administrative

Sanction-1st Offense-Warning

2nd Offense-Removal from Library

*3rd Offense-Exclusion from Library and
Disciplinary Probation*

Sexual Harassment Policy

Montreat College recognizes the dignity and worth of all humanity as God's creation in His own image and therefore seeks to maintain a community free of sexual harassment. Sexual harassment is also a violation of the law and grounds for disciplinary action up to and including discharge or suspension. Further, the college does not condone solicitation or threats to bring false accusation of sexual harassment. This policy shall apply with equal force to all students, staff and faculty.

Sexual harassment is generally described as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, academic progress, or completion of a school-related activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or in the case of a student, used as the basis for academic decision including, but not limited to the individual's academic evaluation, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work or student's academic performance, or creating an intimidating, hostile, or offensive working or academic environment.

Examples of sexual harassment include, but are not limited to, continued or repeated offensive sexual flirtations, advances or propositions; continued or repeated verbal remarks about an individual's body; sexually degrading words used toward an individual or to describe an individual; and the display of sexually suggestive objects or pictures.

If a student feels he or she has been sexually harassed, the matter should be brought to the Dean of Students. At this time, the student will be advised and assisted in how to attempt to resolve the matter. If that course fails or if the allegation is against the dean, the complaint should be put in writing and presented to the Student Grievance Committee.

Jurisdiction-Judicial Council/Dean of Students

Sanction-Official Warning to Dismissal

The Family Educational Rights and Privacy Act of 1974

Montreat College grants to all students and parents of dependent students the right to inspect, to challenge, and to a degree, control the release of information in their files.

1. The request must be in writing and presented to the Office of Student Services. The college has 45 days to comply with each request.
2. Following access, the student (or parent) may request a hearing to challenge the contents of a record. The Dean of Students will arrange the time and place and notify the student (or parent) of such.
3. Except under court order, the information within a student's file will not be released without the written consent of the student. This provision excludes the custodian of the file other than directory information. Directory information includes the student's name, address, telephone number, date and place of birth, major field of study, participation on officially recognized activities and sports, height and weight of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended. Non-Discrimination / Equal Opportunity / ADA / Rehabilitation Act Compliance Policies

In compliance with Title IX of the Education Amendments of 1972, Section 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, Montreat College admits students of any race, color, religion, sex, age, national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, disability, military service, color, religion, sex, age, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administrative programs. The college will provide reasonable accommodations to the known disabilities of otherwise qualified applicants and students. Inquiries should be directed to the Office of Student Services.

Student Health Services Policy on Student Illness, Class Absences and Athletic Absences

It is the policy of the Student Health Services Office to provide written documentation of a student's visit to the Health Services Office upon request of the student. The Health Services Office does **not** issue written medical excuses to students for absences from class or athletic events. Students are required to get any written medical excuse from their physician and are to provide faculty with such documentation. In extreme cases, the Health Services nurse may issue a recommendation that a student be placed on bedrest (temperature over 100 degrees, persistent vomiting, persistent diarrhea, migraine headache, strong suspicion of a communicable disease). In such a case, it is still the student's responsibility to talk with his/her professor to receive instructions as to making up missed classes, assignments, or exams.

If the Health Services Office sends a resident or day student home due to a severe illness, the Health Services Office will provide that information to faculty/staff through the email system or through written documentation to the Academic Dean in the form of the weekly report.

Student Responsibilities:

- 1) The student experiencing an illness will come to the Health Services Office during normal office hours for evaluation.
- 2) The student will contact involved faculty members to notify them of illness.
- 3) If the student's illness requires him/her to see a physician, the Health Services Office personnel will make an appointment for the student or counsel the student to go to Urgent Care or their own personal physician.
- 4) The student is responsible for obtaining any written excuse from a physician, and for bringing it by the Health Services office for the nurse to attach to the Health Services Medical Notice.
- 5) In the case of athletes experiencing illness, unless the student is placed on bedrest, the student is still expected to attend practices/games/scrimmages.
- 6) Students are not to call and request documentation from the Health Services Office for illnesses. Students must come by the office to be evaluated by the Health Services nurse. Documentation will not be given for illnesses on any day other than the one in which the student sees the nurse.

Health Services Office Responsibilities

- 1) Upon request of the student, the Health Services Office will issue a Health Services Medical Notice to the student for the date in which the student was seen in the office or for the date in which the student was seen by a medical doctor. The Health Services Medical Notice is **not** a medical excuse - it is just a notice that the student has been seen by the nurse or a physician.
- 2) The Health Services Office will notify involved faculty of students that have been placed on bedrest due to moderate to severe illnesses (temperature over 100 degrees, persistent vomiting, persistent diarrhea, migraine headache, and strong suspicion of communicable disease). This will be accomplished through the email system or by means of noting the student's name and date of illness on the weekly report to the Academic Dean.
- 3) As a courtesy to athletes, the Health Services Office will notify the athletic trainer of any athlete who has been sent to a physician or placed on bedrest.

AIDS / STD (Sexually Transmitted Disease) Policy

Because of the rapid spread of the AIDS virus, Montreat College may be faced with students and/or employees who contract AIDS, AIDS related diseases and Hepatitis B. To ensure that proper procedures are taken to protect all individuals in the campus community, including the infected person(s), a communicable disease policy has been adopted by Montreat College.

AIDS Policy: Upon becoming aware of a student who is infected with AIDS or ARC or possesses AIDS antibodies, he or she will be asked to submit to the following:

- Counseling
- Monitoring by medical personnel
- Disclosure of their condition to those with whom close contact is required, such as roommates (He or she will be permitted to move to a private room if one is available.)

Montreat College would strive to provide appropriate information in order to instruct staff and students regarding the nature of AIDS and Hepatitis B and transmission. Effective educational efforts and the development of a Christian outlook, well in the advance of any possible crisis situation, are the best assurance that an actual crisis will be dealt with lovingly and rationally, but without panic.

Appropriate Use Policy for Information Technology Resources

Access to computer equipment systems and networks owned or operated by the college is a privilege that is granted by the college subject to certain rules, regulations and restrictions. Such access imposes certain responsibilities and obligations and is granted subject to college policies, and local, state, and federal laws. This access carries with it certain ethical responsibilities and obligations and should reflect the academic honesty, discipline, and standards of conduct appropriate for our shared community of network and computer resources. Ethical use demonstrates respect for intellectual property, ownership of data, system security mechanisms, and individuals' rights to privacy and to freedom from intimidation, harassment, and unwanted solicitations.

Most importantly, each user of the college's technology resources is a representative of the college, in that a record of his/her user address, reflecting "montreat.edu," is left at each site that is visited or e-mailed. Accordingly, each user is expected to behave in a manner that reflects our commitment to be a community under the Lordship of Jesus Christ.

Any person who has a question about this policy, or is concerned about a potential violation of this policy by him/herself or by another person, is encouraged to contact the Vice President for Finance and Information Technology.

Application:

This policy is applicable to all individuals who are given access to computer equipment, systems and networks owned or operated by the college, including, but not necessarily limited to, the following (whether full-time or part-time): faculty members, students, administrators and staff.

1. To access only files and data that he/she owns, that are publicly available, or to which he/she has been given authorized access.
2. To use only legal versions of copyrighted software in compliance with vendor license requirements, and not to make or use illegal copies of copyrighted software, store such copies on college systems, or transmit them over college networks.
3. To be considerate in his/her use of shared resources. Refrain from monopolizing systems, overloading networks with excessive data or non-work related messages, or wasting computer time, connect time, disk space, printer paper, manuals, or other resources.
4. Not to use computer programs or other means to decode passwords or access controlled information.
5. Not to engage in any activity that might be harmful to systems or to any information stored thereon, such as creating or propagating viruses, disrupting services, or damaging files.
6. Not to use mail or message services intending to harass or intimidate another person, or to indiscriminately broadcast information of a frivolous nature.

11. Not to attempt (or assist in an attempt) to a) penetrate system security, b) cause any part of the system to become impaired or inoperable, or c) gain unauthorized access or entry to computer facilities and/or computer based data.

Enforcement and Penalties for Violations:

Academic honorary societies must be approved by the faculty and all other student interest groups approved by the Student Government Association must be recognized by the President's Cabinet.

Food Service Policies

The college is under contract with ARAMARK Management Services, Inc. for food services. All resident students are required to purchase the college dining hall food plan. ID cards are required to be shown prior to each meal. Taking utensils from the dining hall without permission is considered theft.

Each student is entitled to seconds, except on certain main course items such as meats. All portions of food are on a personal consumption basis. A student is not permitted to take food or beverages from the dining hall. Students found taking food or beverages from the dining hall will be subject to disciplinary action.

 - b. Violation of disciplinary procedure
 - c. Inconsistency of sanction
8. The student may select any college staff, other than members of the President's Cabinet and those involved in the case, to assist in counsel at all hearings and appeals.

Academic Integrity Policy

A. Definition of Academic Dishonesty

Academic Dishonesty, such as cheating on tests and plagiarizing essays, violates the fundamental trust underlying all academic work: that the work be the product of the student who submitted it. Montreat College defines Academic Dishonesty as the representation of another's words, ideas, or images as one's own. It applies equally to intentional and unintentional quotations, paraphrases, visual images, auditory images, and all electronic means of storage and communication. Academic Dishonesty results in these disciplines and punishments.

B. Discipline of Academic Dishonesty

When professors suspect students of academic dishonesty, they will confront the students with their charges in writing. The only possible disciplinary actions are, (1) a "zero" for the assignment, or (2) an "F" for the course. Students may choose to admit their guilt of Academic Dishonesty and waive a hearing. This involves signing the Academic Dishonesty Notice outlining the disciplinary action. The Academic Dishonesty Notice will then be put on file in the registrar's office. Students who do not agree to the professor's charges must appear before a panel of faculty members appointed by the Vice President and Dean of Academics on charges of academic dishonesty. During the intervening period, students must continue to attend class.

The panel will convene a hearing with the student and the professor at which the faculty member will explain the student's alleged violation. Students may choose to counter with evidence of their innocence or may admit their guilt.

C. Punishment of Academic Dishonesty

If the panel indicates, by simple majority vote, that the student has been dishonest, the panel must fail the student for the entire course. The registrar will notify the student in writing that a failing grade, with a notation that it was received for academic dishonesty, has been entered into the student's record, even if the infraction occurs before the semester's official withdrawal date. Students may remove the "F" itself, and enjoy a recalculation of their grade point average by successfully retaking the course, but the dishonesty notation will remain until students apply to the Vice President and Dean of Academics to have it removed following their graduation. Two incidents of academic dishonesty will result in a student's suspension from the college. The student will not be eligible to reapply to Montreat College for at least two years after suspension. If the panel finds the student not guilty of academic dishonesty, it will notify both the student and faculty member; the case will be dropped.

D. Exoneration of Academic Dishonesty

If exonerating evidence becomes available in the five business days following the registrar's notification, students may appeal to the Academic Affairs committee. Students must remain in the class and work toward its successful completion during the appeal process. After hearing evidence presented by both the professor and the student, the Academic Affairs committee may affirm or overturn the panel's decision to discipline the student for academic dishonesty. The committee will write its decision to the professor and student.

RESIDENCE
LIFE

Welcome! From the Residence Life Staff

We're glad that you are here at Montreat College. Whether you are just starting your education, transferring from another school or continuing your education, the Residence Life staff want you to feel at home.

Our Commitment

The goal of our residence life program is to be known for one defining characteristic--that each of us would have a **servant's heart** toward others.

"As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the peace through the bond of peace...Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by cunning and craftiness of men in their deceitful scheming. Instead, speaking the truth in love, we will in all things, grow up into Him, who is the Head, that is, Christ. From Him, the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work."
Ephesians 4:1-3, 14-16

Residence Life Staff

To assist residents in developing healthy self-governance, the college provides each residence hall with a residence director (RD), along with several resident assistants (RAs). A residence director lives in an apartment on the first floor of each residence hall. His/her selection is based on qualifications that include a model of Christian character, an ability to administer organizational programs and a pronounced interest in working with college students.

Each residence director is responsible for managing the overall operations of the residence hall, developing and supporting their staff, acting as a liaison between residents and the Student Services staff, and organizing his/her educational and social programs in the hall.

Resident assistants are selected to work with residents on each floor in the residence hall. They have the meaningful challenge of helping to involve fellow students in a variety of activities and experiences which are designed to make residence living more conducive to healthy growth and development. They are selected on the basis of Christian character, ability to manage their own affairs while helping to organize the affairs of the residence hall, and a demonstrated rapport with fellow students. Resident assistants are available to help residents with personal problems and to offer guidance and support.

Living together always carries a number of responsibilities. Over the years, the Residence Life staff and Montreat College students have found the following procedures to be the best way of providing a quality living community. The Residence Life staff hopes that student experiences in the residence halls will be founded in faith, demonstrated in love, bound in peace, and evidenced in growth.

Issuance of Keys

Each resident is given a key to his/her room when he/she moves in. To receive a key, the resident must acknowledge the receipt of the key in writing. Keys are the property of the college and must be returned when students move out of their rooms. Failure to return the room key, or loss of the key, will result in a charge of up to \$30 to replace the key and/or lock.

Residents are encouraged to keep their doors locked at all times when they are away from their rooms. The college is not responsible for the loss or theft of residents' personal belongings. It is highly recommended that students purchase renter's insurance.

Residence Life Staff reserve the right to charge a \$5 fine for unlocking residents' rooms with the master key.

Room Furnishings

All residence halls are furnished with single beds, chairs, desks, dressers, desk-top shelves, a bookshelf, and clothes closets. Each student must provide his/her own waste baskets, linens, blankets and pillows. Some students find it desirable to also bring a bookcase and a study lamp. Blinds are provided in each room. Room furniture may not be disassembled or removed from student rooms.

Window dimensions are:

ANDERSON HALL*	width 97" x height 57"
*Closets use long curtains that are the size of shower curtains	
McGREGOR HALL	width 74" x height 62"
DAVIS HALL	width 80" x height 67"
HOWERTON HALL	width 68" x height 61"

Official Breaks of the College

Students are encouraged to check the college calendar regarding the date and time to arrive on campus at the beginning of the fall and spring semesters. There will be a \$50 charge per day if a student arrives early without prior permission. Keys for rooms will not be issued prior to the official opening of the residence halls.

There are several official college breaks when the residence halls are closed. Prior to the beginning of these breaks, the dean of students will set a date and time when the residence halls must be vacated. The official college breaks are: Fall mid-term break, Thanksgiving break, Christmas break, Spring mid-term break.

During official college breaks, all students must follow appropriate check-out procedures as posted by the staff. A \$10 fine may be imposed for any improper checkout, and a \$50 fine will be charged for each day a student is in a building between the official opening and closing times. Personal items may remain in the rooms, but all residents must vacate the building. Only residents with official permission may stay on campus during breaks.

Private Rooms

Private rooms will cost \$800 per semester above the normal rate for a regular room. A private room is available only on the basis that such rooms exist after all students have been housed. In order to insure private room status, the appropriate form must be filed in the Residence Life Office. These forms are available on request at the end of the fall semester and at room selection at the end of the spring semester. Freshmen are not initially assigned private rooms.

Room Changes / Consolidation

If during the first week of the fall semester a student is without a roommate or loses his/her roommate and there are other students who are without roommates, the remaining students will be asked to consolidate or they will be charged the private room rate. This creates a standard of equity for those students who are paying the private room fee.

Any student in the above mentioned circumstances must pursue one of the following options: 1) consolidate with another student that is without a roommate; or 2) insure their private room status through paying the private room rate. The residence director of each building will provide a list of students needing roommates. Students must make appropriate arrangements within the first week of classes or they will be charged a private room fee.

Before students are allowed to change rooms or roommates, every effort will be made to find a workable solution. The proper process is for students to contact their RA/RD for assistance. All room changes must be approved through the Office of Residence Life. Room Change Request forms are available from the RD. If a student makes an unauthorized room change, the student will be charged a \$50 administrative charge and possibly face disciplinary action.

Renter's Insurance

Some students' valuables and belongings are covered for loss and theft by their families' homeowner's insurance policy. It is advised that each student inquire as to whether he/she is covered by such a policy. If not, it is highly recommended that a "renter's insurance policy" be purchased through a local insurance company. The college's insurance does not cover loss due to fire, theft, etc.

Room Decorations

Realizing that residence hall rooms represent the home of the student during his/her stay at the college, students should decorate their rooms in a manner according to the Christian community in which we live. Examples of unacceptable room decorations would include offensive pictures or objects, pictures of illegal drugs or alcoholic beverages, street signs, or empty alcoholic beverage containers. With such violations, the residence director will issue a warning for the removal of the material. At that time, the student must remove the material or issue an appeal to the student court.

Room Cleanliness

Periodic room inspections will be held to meet the expectations of the Health Department of North Carolina. Food stored in a room should be kept in a tightly closed container in order to keep insects and other pests out of the building. Room checks will be done by the Residence Life staff prior to official college breaks.

Room Damage and Misuse of College Property

Students will be responsible for the condition of their room and its contents, including furniture, floors, walls, windows, doors, closets, carpet, etc. Do not place posters on the walls with nails, glue or double stick foam. Putty and masking tape may be used. No nails are to be driven in the walls or woodwork for any reason. Screens are not to be removed. Do not write or draw on college property. No furniture may be disassembled or moved out of the residence hall rooms. Charges for loss or damage to communications wiring, furniture, or equipment will be assessed to the students of that room or suite. Room Entry, Search and Seizure

Recognizing that the room of each student represents his/her home, the college consistently strives to respect the element of privacy. Under certain circumstances, however, it is necessary for Montreat College staff to enter a student's room. These circumstances are as follows:

1. Regular maintenance, safety, and health inspections.
2. With reasonable suspicion, college officials may search a room of any resident student. The search may include, but is not limited to, opening drawers and refrigerators, examining furnishings and personal effects, searching an adjoining bath or suite, and seizure of illegal goods or stolen property. The residence director must be present to supervise the search of any student's room. Every effort will be made to contact the individual before proceeding

into the student's room. At that time a list of rights and receipt for any materials taken will be given.

3. Emergencies, with no search warrant or notice given, such as:
 - a) incident to and following a lawful arrest
 - b) for and in pursuit of a fleeing dangerous criminal suspect
 - c) under urgent necessity (i.e. persistent loud screaming, medical emergencies)
 - d) necessary to prevent loss or destruction of an item to be seized.

Telephones and Television

Each residence hall room is equipped with basic cable TV, Internet connection, and local phone connections at no additional cost. A personal phone must be provided by the student. Long distance service is available at the usual long distance service charge. In order to keep phone lines available for incoming calls, students may not connect to a computer on-line service through the phone line.

Visitation

As mandated by law, the college has the responsibility to provide adequate control to insure the safety of those living in the residence halls. We also realize the residence halls are your homes and, therefore, you are entitled to a degree of privacy. In an effort to create a balance between safety and privacy for the entire community, we have adopted the following guidelines for visitation events.

Each residence hall may have up to four visitation events each week for guests of the opposite sex. The following conditions must be met:

1. There must be a 3/4 approval through a secret ballot by residents to adopt visitation days and hours.
2. The total visitation hours may not exceed 20 per residence hall per week and must be held between 6 - 11 p.m. weekdays and 2 - 11 p.m. weekends except in upperclass housing (see *Upperclass Visitation*).
3. For external security reasons, there **must** be someone manning the desk in order to conduct visitation. If there is no one at the lobby desk, guests may not enter the halls. The desk worker must call the room for all guests to see if the resident is accepting visitors. Visitors that are Montreat College students can go to the room after the desk worker has been told by the resident that they are willing to have a visitor. If the

visitor is a non-student (non-student visitors must be escorted at all times when in the residence halls), the desk worker asks the resident student to come to the lobby to meet their guest.

4. Guests who are Montreat College students must sign in and leave a picture ID at the lobby desk. Non-student guests must also sign in, leave a picture ID, and be escorted from the point of check-in and continuously while they are in the residence hall. When any guests leave the dorm, they must sign out and note the time of departure. Non-student guests must be escorted to the point of check-out. The signing in process includes listing first and last names as well as the room in which the guest(s) will be visiting. If a Montreat College student's guests wish to change locations, they should call the lobby desk and have the desk worker make a note of the new location. **Hosts are responsible for the actions of non-student guests throughout their visit.**
5. Each visitor will enter and leave by the front lobby door.
6. Lobby restrooms are available off each residence hall lobby. Hall bathrooms in Davis may not be used by guests of the opposite sex. Suite mates in Howerton and McGregor will decide if opposite sex guests may use their shared bathroom. Roommates with a private bath will decide if guests of the opposite sex may use their bathroom.
7. Excess noise will be monitored by residence hall staff and all residents and guests must comply with any request to reduce the noise level. A second request will result in discontinuation of visitation rights that day for residents and guests involved.
8. Doors must be kept open at approximately 45 degrees when a guest of the opposite sex is present. Residence life staff monitor hallways to insure safety and policy compliance. Staff members reserve the right to enter any room which creates a reasonable level of concern. Staff members will knock and request permission to enter unless there is reasonable suspicion that someone is in danger or a college policy or law is being violated.
9. Residents are encouraged to be sensitive and considerate of their roommates when considering participation in visitation.
10. Residents are not permitted to have guests of the opposite sex in their rooms other than during an approved visitation event.
11. For security reasons, students are not permitted to open the lobby door for a non-student unless the student is the designated host of the non-student. Non-students must be escorted into the residence hall by a student host.

Because the breaching of any of the visitation or closed dorm guidelines is an offense to every member of a particular dorm, the penalties for such an action are as follows: Upon first offense, both the guest and the resident host will be fined \$25 each or assigned 10 hours of community service and lose visitation privileges for a period of two (2) weeks. The second offense will carry the fine of \$50 or 20 hours of community service for both offending parties and loss of visitation rights for four (4) weeks. Finally, a third offense will strip both parties of all visiting rights to any of the dorms for the remainder of the year, and referral of such a case to the dean for possible suspension.

Jurisdiction-Judicial Council

Sanction-Fine to loss of visitation rights and referral to Dean of Students for further action.

Visiting in Residence Hall Lobbies

The lobbies in the residence halls are open 24 hours, seven days a week. For a member of the opposite sex to stay in the residence hall lobbies after they are locked, the opposite sex guest must have a resident of that hall with him or her. This policy allows for study, watching TV, etc. However, opposite sex sleepovers are not permitted.

Overnight Guest Policy

All guests who stay in the residence halls after closing must register with the residence director and/or resident assistant. If the guest has a car, it should be registered with Student Services as well. The resident student is responsible for his/her guest as long as he/she is staying with the student. **Only overnight guests of the same sex are permitted.** Any student who houses a guest and fails to have him/her register is subject to sanctions. All

guests must conduct themselves in accordance with the college regulations. Additional information on overnight guests is available in the Office of Residence Life.

Jurisdiction-Administrative Sanction-Warning to community service for Montreat College students-warning to referral to police for guests.

Freshman Overnight Restriction

Due to the need for new students to acclimate themselves to college life, freshmen are encouraged not to leave the campus for an overnight during the first three weeks of the orientation period at the beginning of the college year. During this orientation period, freshmen are also strongly encouraged to be in their residence hall by 12 midnight Sunday through Thursday and by 1 a.m. Friday and Saturday. After the first three weeks of the orientation period, students may use their discretion in choosing the number of evenings spent away from campus.

Emergencies

All students are expected to make sure someone in the residence hall is notified when away from campus. Letting a friend or roommate know where you will be when off campus and when you plan to return allows the resident assistant to reach you in case of emergency.

Upperclass Housing

(Howerton and Davis first floors and all of McGregor Hall)

Qualifications: In order to be considered for upperclass housing, one must be at least a junior in total earned credit hours. Hours must be earned following high school graduation.

Upperclass Visitation: There are additional visitation hours for upperclass housing. These may be as many as 7 nights per week. For upperclass residents, their total visitation hours may not exceed 28 per residence hall per week and must be held between 6:00 - 11:00 p.m. weekdays and 2:00 - 11:00 p.m. weekends.

When there is no one on desk duty during scheduled visitations, guests who are Montreat College students must sign in on the hall they are visiting. Non-student guests must also sign in on the hall they are visiting and be escorted continuously while they are in the residence hall. When any guests leave the dorm, they must sign out and note the time of departure. Non-student guests must be escorted out of the residence hall. The signing in process includes listing first and last names as well as the room in which the guest(s) will be visiting. If a student's guests wish to change locations, they must sign out of the room they are visiting and sign with the new location. Hosts are responsible for the actions of non-student guests throughout their visit.

2. The SBAC shall work with the director of Student Activities in evaluation of budgets submitted by all organizations, publish the appropriations of the funds which apply to the student activities, determine the wishes of the student body with regard to the spending of these funds, and distribute its proposed budget changes to the Legislature before the last three weeks of the school year. Explanations of any budget changes must also be presented to the SGA Legislature.

Section 2 – Student Activities Committee

1. The Student Activities Committee is a standing committee, which shall be composed of a chair elected by the student body, a vice-chair appointed by the Student Activities chair, elected representative from each dormitory, and an elected representative from off-campus students.

representatives for activities, residence hall representatives for intramurals, are required to attend and participate. The committee's purpose shall be to organize subcommittees to plan social, recreational, cultural, and educational programs for the Montreat College community.

Section 3 – Ad-Hoc Committees

Ad-Hoc committees shall be appointed by the SGA President when deemed necessary. Since issues vary from class to class, dorm to dorm, year to year, and even week to week, the SGA must keep constant and open lines of communication with both the Administration and student body. The SGA's purpose of existence is to act as a bridge between the administration and the students, not to fight the administration or to rule the students. It is to serve both the student population and the administration as a forum for conversation and negotiation. As such, it is expected that the SGA provide multiple and weekly opportunities for students to raise issues and then appoint persons, committees if need be, to deal with each issue. The purpose of these committees shall be:

1. To confirm the validity of suggestions, questions, and concerns voiced by students, faculty or administration.
2. Determine actions to be taken concerning these suggestions, questions, and concerns.
3. Report to the Executive explaining the suggestions, question, or concern, and the proposed actions. The Executive will then decide on the best action to take, if any, and propose this action to the Legislature in legislation, when appropriate.
4. If no action can be taken, or none is taken, it is the responsibility of the Executive to report to the student body concerning any findings.
5. All members appointed to these committees must be present at scheduled committee meetings.

Section 4 – Joint Faculty/Administration and Student Committees

The student representatives chosen for these committees are appointed and approved by the SGA Executive and the SGA Legislature.

Section 5 – SGA Chartered Organizations

1. Organizations of students may be recognized by the SGA only through the process of chartering. To charter an organization, the interested group of individuals must submit a charter to the SGA Executive for approval. Upon two-thirds (2/3) approval in Executive, the charter will be sent to the Legislature for a two-thirds (2/3) approval. Upon this approval, the organization will be recognized as an SGA chartered organization. It is recommended that an SGA member serve as an advisor to this process.
2. An organization must be recognized by the SGA through a charter to be eligible for receiving any student activities funds. The organization must submit a budget proposal at the designated times set forth by the Student Budget Advisory Committee in order to receive funds.
3. There must be an official, non-voting advisor to SGA chartered organizations who shall be selected from the members of the faculty, administration, or administrative staff. Such advisors shall participate in official meetings at the discretion of the organizations by whom they are chosen.
4. The SGA strongly encourages SGA chartered organizations to send a representative to the SGA Legislature meetings, increasing communication within the internal network of the SGA and thus will be noted within the allocation of student activities funds.
5. The SGA reserves the right to re-examine an SGA chartered organization for failure to abide by the organization's charter for any reason. In order for an organization to be de-chartered, the SGA Executive and Legislature both must have a two-thirds (2/3) vote for approval of de-chartering.
6. All SGA Chartered Organizations must submit a monthly budget report and a report of all activities to the SGA Secretary. This report shall be due on the first Monday of each month.
